**STUDENTS GATHER TO CELEBRATE ACCOMPLISHMENTS**—Students from throughout Missoula will join for a party celebrating their efforts at spreading Martin Luther King Jr.'s message of nonviolence. The celebration will be held from 4 to 5:30 p.m. Monday, April 10, in The University of Montana's Journalism Building Room 307. Cake and punch will be served, and certificates and T-shirts will be presented to students who took part in the Martin Luther King Jr. Program 2000. In this second year of the program, 36 students from elementary through university levels created presentations on nonviolent conflict resolution and prejudice reduction for 20 local elementary school classes. The program was organized by UM's Volunteer Action Services. For more information, call Kate Wagner, project coordinator, at 243-4442.
